

# Horses change lives. **Let them change yours!**

Harnessing the healing power of horses, the Therapeutic Equestrian Center builds stronger bodies, minds, and spirits for people with disabilities, veterans, active military, and their families.

Our riders build confidence and skills that help them succeed well beyond the barn through:

- Therapeutic riding lessons
- TEC WITH VETS
- School programs
- Therapeutic riding camps

*"I feel I'm part of a small miracle happening at TEC."*  
– TEC volunteer Dana R.
