

HELP US ENGAGE THE POWER OF HORSES

Horses Change Lives

but ...

**WE NEED YOU!
TO MAKE IT HAPPEN**

**COME CHANGE A LIFE
IT WILL CHANGE YOURS!**

The Therapeutic Equestrian Center (TEC) is a nonprofit service organization that engages the power of horses to challenge people with disabilities to build stronger minds, bodies, and spirits. TEC provides year-round, horse-related activities, and therapeutic riding to people of all ages with disabilities; including veterans, active military members, and their families.

TEC is looking for CHORE VOLUNTEERS & SUBSTITUTES!

- ✿ Morning chores start at 7:30 a.m. and take a couple of hours. Enjoy this time connecting with the horses and meeting new friends
- ✿ Not a morning person? The horses are equally glad to see you for afternoon chores at 5 p.m. for about 45 minutes. Two volunteers bring the horses in from the pasture and then feed them their dinner.
- ✿ The evening check needs 2 volunteers to give the horses water and make sure they are all okay for the night.
- ✿ Substitutes fill in for other volunteers when they are unable to be there due to illness, job conflicts, or being out of town.

No experience? No problem! For all of these opportunities, we just need people who are willing to learn. We'll pair you with another TEC volunteer who can share their experience and knowledge with you.

VOLUNTEERS
MAKE A DIFFERENCE
SIGN UP TODAY!

To learn more, visit www.tecfarm.org/volunteer. Ready to sign up to be a TEC volunteer! Contact TEC's Barn Manager, Katie Peterson, at (269) 240-7182 or via e-mail at katieptec@gmail.com.
